Dedication of the new Iler Settlement Monument

5601 J96

L-R: Robert Iler, Royal Oak, Michigan; Michael James Young, Boston, Mass., Ruth Speirs, Phoenix, Arizona; Janie Speirs, Phoenix, Arizona; Ruth Ann Speirs, Phoenix, Arizona.

This year celebrated 50 years since the first reunion of the Ilers and Associated Families was held in 1944.

The event took place this year on Sunday, July 17 on Twin Gables in Harrow where Jacob and Elizabeth (Snider) Iler pioneered on Lots 37 and 38, Front Concession.

They travelled across a frozen Detroit River and arrived in Colchester Township in 1806 from Grosse Ile, Michigan where Jacob was a tenant farmer. But relations between Canada and the U.S. had intensified, so they thought best to move away.

Since then, the Ilers have called the local area home.

It was in 1797 when Jacob and Elizabeth were married and through the years, their property has seen churches, schools, farms and businesses thrive there. The property is outside the family today, belonging to Brian and Sally Heaton, who purchased the land in May of this year. But they have been gracious enough to let the reunion take place again this year.

This year's event was somewhat of a unique celebration since a dedication of a large stone monument was unveiled. The monument commemorates the early pioneers on the farmland and is placed at the site through donations of Iler descendants to be dedicated "to the Glory of God."

Many local dignitaries attended the special unveiling including Colchester South Reeve Randy Atkins who greeted the crowd. Also on hand were Harrow Mayor Peter Timmins; President of the Ontario Historical Society and Homestead Curator Janet Cobban and Administrator for Colchester South, Mike Girard.

The Prayer of Dedication was led by Pastor Roger McCready of the Harrow Baptist Church.

They had a potluck dinner which featured games for the children and the oldest person present. Also they wanted to know who came the furthest this year and who was the youngest person present. All first timers to the reunion stood up and was recognized and couples who have been married the longest were also recognized.

Regimental History, written about 1904 by a man named Thomas. The book mentioned during the winter of 1864, General Lee sent General Hoke to North Carolina and while there they became engaged in a battle with the Union Army for one of the forts located near the ocean. During this battle the Confederates captured some former Confederates who had deserted and rejoined the Union Army. These twenty-seven men were brought up for desertion and sentenced to hang. The Regimental History said my grandfather's regiment were charged with forming the hollow square around the gallows.

James married my grandmother, Mary Elizabeth Watts, who had come to the Taylorville area from Kentucky about 1857. They had five children, two sons and three daughters.

Bertha, the oldest child was born in 1873 and died in 1958. She married Elmer Harmon, a farmer. They had one son, Lloyd.

Ada Mae, the next child and my aunt was born in 1876 and died in 1950. She married W.W. Poor and had nine children.

My father, **Lewis Daniel**, was born in 1877, the third child of James and Mary Elizabeth Watts. He died in 1964 at age 86 in Taylorville. He had worked on the farm all of his life, except for the last few years when they moved to Taylorville. My mother was Elsie Lee Vaughan. (Picture on following page). She was born in 1889 and died at age 87 in 1977, after a series of strokes. My father and mother were married in July of 1913 in Decatur, where she was living. They had seven children, I being the oldest.

Walter Henry, my father's brother, was born in 1882 and died in 1961. He was also a farmer and married Ethel Irwin. They had five children.

Nina Pearl, the last child of James and Mary Elizabeth Oyler and my aunt was was born in 1884 and died in 1974. She had one daughter by her first husband, Ambrose Baughman. After a divorce, she married the farmer Calvin Little.

later they migrated to Iowa by covered wagon. After several years they moved to Kansas but within six years the grasshopper plague had eaten them out of their farm produce. They were forced to return to Indiana.

Elizabeth and Josiah had ten children. In 1936, six of her children came to North Willow Street in Flora, Indiana, to observe her one-hundred second birthday at the home of a daughter, Mary Lucinda (Moss) Meador, where she had lived since 1912. Others were her daughters, Mrs. Alice Kessler of Massena, Iowa; and Mrs. Martha Finney of Kokomo, Indiana, and her sons, David and Martin Boone of Delphi, Indiana, and Mr. Charles Boone of Indianapolis. She left 25 grandchildren, 53 great-grandchildren, and 25 great-great-grandchildren.

She had been active at Christmas time but it was not long after this occasion that "Grandma" Boone, the oldest in the County succumbed to pneumonia, after an illness of only four days at Flora, Indiana, Monday morning, January 2, 1939 at 9 a.m. She was one-hundred two years, six months, and twenty-two days old. Burial was made in Maple Lawn Cemetery in Flora.

She had been a member of the German Baptist Church. Her long life had spanned the administrations of 26 of the 32 Presidents of the United States, having been born when Andrew Jackson was in the White House, and died during the second term of Franklin D. 1993 WESTERN INDIANA OYLER REUNION

Nearly sixty Oylers and their guests met at the David Miller Shop near Camden, Indiana on July 26, 1992 for a delightful pitch-in dinner. Most attendants were from middle Indiana, but some came from as far as South Carolina to renew acquaintances with family members they had not seen for many decades.

It was a pleasant time of visiting and laughter inside while threatening skies delayed its heavy rain until nearly after it was time to return home. Most commented how each other had either not changed or were holding their own despite the ravages of time and difficulties. There was rejoicing for the opportunity to be together again and the good health enjoyed by many of the older members.

A similar get-to-gether reunion is planned for the first Sunday in August, 1993. You are invited!

Several months after the July reunion, one of the participants of the afternoon, Lenna M. Spitler Oyler Peterson, wife of deceased Russell L. Oyler, died on November 18, 1992. Her children are Richard Dale Oyler, Frederic Eugene Oyler, Donna Jean Oyler Day, and Carl Dean Oyler.

9847 - c.c.67693

Russell Lorenzo Oyler was the son of John Henry (b. May 8, 1876 in Virginia) and Nannie Bousman Oyler. He was born on September 20, 1904 near Centroplis, Kansas. Russell lived in Kansas until the death of his mother, when he moved to Flora, Indiana. He had four brothers, Paul, Carey, Lowrye, and Glenn; and one sister, Eunice.

He was baptized into The Church of the Brethren in 1928. He died suddenly on February 28, 1972, age 67, after suffering a severe heart attack.

Also to be missed at the Indiana reunions will be Eunice Oyler Fugett, seen in the picture of the 1989 reunion, who died of a heart attack on January 19, 1993.

Eunice was also the daughter of John Henry Oyler who settled near Camden, Indiana; the sister of Russell Lorenzo. She was born March 21, 1910, while the family was living in Kansas. Others in her family were Paul Clifford, Carey Delmar, John Lowrye Lee, and Glen Wayne. Her first husband was Ralph E. Dietrich.

The children of Eunice Elizabeth and Ralph are Majorie Lee, now Mrs. Robert E. Allen; Marilyn Marlene, now Mrs. Charles Werner Proctor; Rita Daune, now Mrs. Buddy Eugene Richardson; and, Nancy Lynne, the wife of James Henry Rumbaugh.

We were the guests of honor at our 50th Wedding Anniversary celebration held March 22, 1993 in our home in Quincy, Florida.

The event was hosted by our sons and wives, Kenneth D. and Lenora Oyler, Jr., and Dennis A. and Pauline Oyler.

A three-tiered cake adorned the table with six heart-shaped cakes of gold and white to represent each of our grandchildren. We were presented with two friendship quilts from friends and relatives.

Since that wonderful occasion last year, we have been rather busy and had a number of problems in our family. Our son, Kenneth Jr., who runs the Oyler Electric Company, just started to build a new warehouse down the road from where we live. A grandson, Joel, began building a new home about five miles away. A tornado hit the house under construction, leaving only the first floor intact. All the second floor walls, partitions, and the rafters had to be redone. It was a mess to collect the walls which had been strung all over the place, etc., pull out all the nails, and then rebuild.

We had also lost our mobile home down in Quincy, Florida, to Hurricane Andrew. I doubt if we will replace it.

Dortha has not been well as she developed a severe back problem in the middle of April, visiting the neurosurgeon and having two M.R.I.'s (Magnetic Resonance Imaging, specialized x-ray, or like a "Cat Scan"). We look forward to improved health.

I have a suggestion. In the January 1993 issue, page 5, Mahala Oyler b. 1821 and married to Stephen Boone, was correctly listed as the daughter of Daniel and Elizabeth Crook Oyler. I know she was Daniel's daughter as I found her obituary in an old *Vindicator*, our German Baptist Church paper. Yet, in the July 1993 issue, page 36, her name was not included.

I am sending information which you may use to more correctly identify Malaha Oyler. 9936?

Yes, Kenneth, it seems this daughter was evidently omitted in the research done years ago for the section which mentioned in our July 1993 issue the members of the family of Daniel Oyler. Thanks for your assistance in making this correction. Also, note her name on pages 23 and 24 of this issue.

*Below is the the obituary notice, first of Mahala's husband, Stephen, which was printed in the April, 1898, **The Vindicator,** page 126, and secondly, that of Mahala Oyler, published in the February, 1908, **The Vindicator,** page 62, which Kenneth kindly sent.*
